SUMMARY

Final-year Master's student skilled in full-stack web development using Java Spring Boot, ReactJS, and MySQL. Comfortable with building REST APIs, frontend integration, and solving problems effectively.

SKILLS

- **Languages:** Java, C/C++
- **Web Technologies:** SpringBoot, ReactJS, Javascript
- **Database:** MySQL
- **Tools:** GitHub, Figma, Visual Studio code, Spring Tool Suite(STS), Postman

PROJECTS

1. HomeyBites - Online Tiffin Service **Sep 2024 - May 2025**

A web platform where users can order meals or take a meal subscription, with separate panels for admins and tiffin providers to manage orders and menus.

Team size: 3

Tech-stack: Java Spring Boot, ReactJS, MySQL

Role & Responsibilities:

- Built and deployed 65+ REST APIs, including authentication, subscriptions, orders, user roles, etc.
- Designed and integrated secure JWT-based login and role-based access control.
- Designed and developed Provider and Admin frontend workflows using ReactJS.

2. Numerical Computing Library using C++ **Jan 2025 - April 2025**

A custom-built C++ library implementing core numerical methods such as solving systems of linear equations, root-finding, matrix operations, and interpolation.

Team Size: 1

Tech-stack: C++

Role & Responsibilities:

- Developed modular, object-oriented C++ modules for numerical computing algorithms, optimized for performance and scalability with support for large matrices (e.g., 225×225).
- Implemented core methods for solving linear systems (Gauss Elimination, LU Decomposition, etc.) and root-finding/interpolation techniques (Bisection, Newton-Raphson, Lagrange, etc.).
- Designed for academic and research use with a focus on accuracy, and reusability.

EDUCATION

- **M.Sc (Scientific Computing)** | 8.86 **June 2024 - Present**
  Department of Scientific Computing, Modeling & Simulation (SCMS), SPPU
- **B.Sc (Computer Science)** | 8.37 **June 2021 - May 2024**
  MIT Arts, Commerce and Science College, SPPU, Pune
- **H.S.C.** | 81.67% **June 2020 - May 2021**
  Shree Bhairavnath High School & Junior College, Pune
- **S.S.C.** | 84.20% **June 2018 - May 2019**
  Shramjivi Primary and Secondary High School, Pune
