PROFESSIONAL SUMMARY

M.Sc. Scientific Computing, Modeling and Simulation student with strong skills in Full-Stack Development, Data Structures & Algorithms, OOP, and Numerical Computing. Passionate about building scalable applications and solving real-world computational problems.

TECHNICAL SKILLS

Languages:	C, C++, JavaScript, SQL
Frontend:	HTML5, CSS3, React.js
Backend:	Node.js, Express.js
Database:	MySQL
Tools:	GitHub, VS Code, MySQL Workbench, Figma, NotebookLM, Antigravity, Cursor, Canva
Concepts:	Data Structures & Algorithms (DSA), OOP, Problem Solving

PROJECTS

BlinkLearn – Peer-to-Peer Online Learning Platform

2025–2026 | Team Size: 3 | Tech Stack: React.js, Node.js, Express.js, MySQL

A peer-to-peer online learning platform where teachers create and upload courses while students explore them at their own pace.

- Designed system architecture, requirement analysis, UML diagrams, and a 15-slide Figma UI prototype.
- Developed responsive React dashboards for course browsing, video uploads, and learning progress tracking.
- Implemented 20+ RESTful APIs for authentication, course management, and learning data.
- Integrated MySQL database for user, course, and progress management.

Numerical Computing Library in C++

2025–2026 | Individual Project | Tech Stack: C++, OOP, Numerical Methods

Developed a C++ library for accurate and efficient numerical matrix computations.

- Applied encapsulation, inheritance, polymorphism, and abstraction.
- Implemented modular architecture using separate header and source files.
- Built and tested matrices up to 225×225 with efficient performance.

EDUCATION

M.Sc. Scientific Computing, Modeling and Simulation – Savitribai Phule Pune University (Pursuing)

B.Sc. Computer Science – Vidya Pratishthan College, Baramati | CGPA: 8.45 | 2022–2025

CERTIFICATIONS

- Generative AI Content Creation – Coursera

ACHIEVEMENTS & ACTIVITIES

- Created infographics for the podcast 'Alchemists of Chemistry: Celebrating a Century of Nobel Laureates (Rasayanatil Kimyagar)' under the guidance of Dr. S. Gadre.
- Winner – Inter-College Kabaddi Tournament (2025)
