SIDDHESH NILESH JADHAV

8459070858 | siddheshnj07@gmail.com | github.com/siddhes07 | Pune, Maharashtra

SKILLS

Technologies: C, C++
Framework / Library: React.js
Web Technologies: HTML, CSS
Database: MySQL
Tools: VS Code, GitHub
Operating System: Windows, Linux (Ubuntu)

PROJECT

BlinkLearn – Online Learning Platform

Domain: Web Application
Tech Stack: HTML, CSS, React.js (Frontend) | Node.js (Backend) | MySQL (Database)
Team Size: 3 Duration: November 2025 – Present

Description:
BlinkLearn is a web-based learning platform that provides students with focused and relevant educational content. The platform avoids unnecessary or distracting content so students can save time and concentrate on useful study material. Tutors can create and manage courses while students can easily browse and access them.

Responsibilities / Contribution:

- Developed frontend components using HTML, CSS and React.js
- Built backend functionality and implemented REST APIs using Node.js
- Integrated MySQL database for storing user and course data
- Worked on course listing and user authentication features

EDUCATION

M.Sc. Scientific Computing (Pursuing) 2025 – Present
Savitribai Phule Pune University

B.Sc. Computer Science 2022 – 2025
Savitribai Phule Pune University

HSC (Science) 2021 – 2022
Maharashtra State Board

SSC 2019 – 2020
Maharashtra State Board

EXTRA ACTIVITIES

- Practicing Data Structures and Algorithms on LeetCode
- Active GitHub user – regularly uploads coding projects
- Interested in Web Development and Software Development
